Golden Reflections: A Celebration of 50 Years

*A history of the West Australian Guild of China Painters from 1964 to 2014
by Anne Blake and Kaye MacLean.*

This book, which tells a delightful story, was launched by the Hon. Richard Court AC at the 50th Anniversary Reunion held in conjunction with the Guild's Annual Exhibition, Saturday and Sunday 3-4 May, 2014 at the Guildford Town Hall.

The WA Guild has a rich history, being the first Guild for china painters established in Australia. Its founding president, Amy Lakides, promoted the art by showcasing more than 100 pieces of her hand-painted china, firstly in the north-west of Western Australia and then the eastern states and overseas.

There are many pages of beautifully coloured images of hand-painted china produced by Guild members which illustrate the changes in styles over the 50 years since its foundation. Included also is a listing of current and former members and office bearers.

The book retails at \$25, plus postage and may be purchased by contacting Anne or Kaye (see order form below). More details are available on the Guild's website www.chinapainterswa.asn.au
